

FREE DENTAL TREATMENT

Implant Direct is coming to the Greensboro North Carolina area to provide education and training to local dentists learning about Implant Dentistry. Part of this amazing course requires that these dentists perform simple dental implant placement on at least 2 patients per doctor. This is an amazing opportunity for 20 individuals to receive FREE dental implants! We are looking for patients who are willing to have newly trained dentists surgically replace a missing tooth with a dental implant. Each patient will be receiving a FREE dental implant (artificial tooth root).

How Can I Qualify?

- You must be 18 years or older
- You must be medically fit
- You must have manual dexterity to brush your teeth (dental implant)
- You must have a missing tooth in the rear area of your mouth
- Ideal patients are individuals that have had rear tooth (teeth) extracted within the last 5 years.
- Best outcomes include your commitment to restore implant in 4-6 months (\$1500.00 payment options available-our dental partners only- prices may vary other dental practices).

What kind of Dental Treatment will be performed?

- Simple Dental Implant Placement
- Minor bone grafting
- X-ray(s)
